

Thomas Christian, *Pargys Caillit*, as published in
Manx Miscellanies No. 1, Douglas: The Manx
Society, 1872.

Scanned from the PDF available online,¹ typos corrected, and gratuitous alterations of the 1796 text removed. My changes and additions to the 1872 text are indicated in italic. Suppressions are not marked. The line numbering is that of Thomson's 1995 edition,² which is based on the 1796 print, with the addition of eleven lines omitted in both earlier printed editions and restored by Thomson from a manuscript copy (here in between []). The pagination in the present edition copies that of the 1872 edition.
